Enjoy the vision of the previous owners that have achieved a great lifestyle home, low maintenance and spacious living. The kitchen is the hub of the home, the place where the family hang out. It is light filled and airy and overlooks the palm trees that surround the pool. Having separate lounge and a large study at the front of the home allows for a reprieve if you need it. With side access to the rear sheds and solar panels which have halved the electricity bill this home has it all.

- 4 bedrooms, main with ensuite
- Large office at front of home
- Spacious light filled lounge room, living areas and kitchen
- Large swimming pool surrounded with palm trees and Balinese hut
- Side access with rear shedding, large block approx. 1000
