Here's a chance for first home buyers to get into the property market. Situated on a small, low maintenance block, this delightful home has 2 living areas and 3 bedrooms with built-in robes. The home's climate is regulated by the ducted evaporative cooling, ceiling fans throughout and gas space heater. There is a garage/workshop on one side of the home and a carport on the other which could be used as an outdoor living area. Located only a few minutes to town centre, schools and corner shop, this could also suit investors, retirees or even holiday makers.
