

## 58 Tom Street YARRAWONGA VIC

4 1 4

A purely contemporary achievement beyond its pretty facade, this stunning 4 bedroom, 1 bathroom home is a stylish sanctuary situated in sought after Tom Street.

The high ceilings and beautiful renovation gives a feel of yesterday's grace but meets today's contemporary comforts, with ducted gas heating and cooling, plush carpets and large kitchen.

Open plan living and dining around the kitchen is light filled with windows and glass sliding doors that welcome the outdoor room inside.

The home is set in established gardens on a huge block of approx. 1190sqm, which is more than enough room to head into the future with additional rooms, or pool.

The additional benefit of a large, fully lined shed ensures this house is the 'best pick.'
